# HAYFORK Grenache Blanc

 CATEGORY: Crisp Whites

## HISTORY

Hayfork strongly believes that the hands of the farmer in the field lay the foundation necessary to produce a quality wine and they are proud to be a family whose past is deeply rooted in the soils of the land and valley.

The Lewelling's farming heritage runs deep and began when John Lewelling, a horticulturist by trade, settled the St. Helena family ranch in 1864. Whether growing walnuts, prunes, pears or grapes, the Lewelling family has been continuously farming their land for six generations.
