## WINERY OVERVIEW

Bodini is crafted by winemaker Jimena Lopez and showcases fruit grown by a small estate winery in Mendoza, Argentina. Supporting Bodini encourages the tradition of independent, family-run vineyards and helping them express their unique wines. Bodini showcases grapes with the fullest expression of fruit.

A high-elevation desert, Mendoza has long sunny days, cold nights, low humidity, and natural irrigation from glacial snowmelt from the Andes Mountains. Bodini wines are fresh, fruit-forward, and a great introduction to Malbec.
